

LAMINEX® SQUAREFORM®

BENCHTOPS

Laminex®
Inspire your space

Laminex® Squareform® benchtops feature a seamless, deep square front edge. This means you can enjoy the modern appeal of a stone slab with the practical benefits of laminate. The fully sealed 39mm thick surface is fabricated with a premium adhesive to ensure greater resistance to moisture and heat, while Protect+® antimicrobial technology provides an additional layer of hygiene protection by inhibiting the growth of bacteria. Another clever feature is the underside drip-groove, which channels water spillage away from the surface and kitchen cupboards. Squareform benchtops are designed to harmoniously coordinate with the complete range of Laminex products and come with a 7 year limited warranty,* making them the perfect way to give interiors a distinctly modern edge.

SEAMLESS SQUARE FRONT EDGE ■ STONE SLAB APPEARANCE ■ ANTIMICROBIAL

Laminex Squareform benchtops are manufactured, marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as Laminex. The colours and finishes of the products featured within the imagery in this brochure are as close to Laminex Squareform benchtops as photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Laminex Squareform benchtops are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Laminex Squareform benchtops should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Please obtain a copy of the terms and conditions of the Laminex Squareform benchtops 7 year limited warranty from laminex.com.au. This warranty is in addition to any rights that may exist under the Australian Consumer Law. Laminex,® Squareform®
